# About Us

Hafeez Automation Technologies believe in superior customer satisfaction. Hafeez Automation Technologies is a customer driven solution focused company, we have been devoting a lot of time and energy to automation and control. We have faced lots of challenges in our entire period in the area of reinvent ourselves without losing sight of our strong values.

The entire staff and management of the company are thoroughly professional. They stick to deadlines and deliver quality services; the company has gained good clients in less time due to their effective working style and good services. The experience and expertise of our entire staff has given us a unique understanding of the requirements of our clients.

Our company provides a wide range of products, systems, solutions and services. We continuously observe market as well as consumer wishes that enable us to derive the requirements of our customer and when the time comes, we often have a solution ready. It is reassuring to know that, no matter what, you can always count on our expertise, our enthusiasm and our reliability. We tackle everything from sample request to seemingly unsolvable problems.

## **Mission**

“Everything we do is geared towards delivering the right automation solutions that facilitate our customers to increase productivity, reduce costs, improve quality and enhance safety”

Hafeez Automation Technologies is devoted to deliver well-engineered Industrial Automation Solutions and Electrical Systems that enable our customers to achieve their production targets efficiently and effectively and aspire to attain ultimate customer satisfaction.

## **Vision**

Delivering innovations to help our customers in enhancing their business productivity, reducing their operating costs, improving their energy usage, and finally, increasing their profitability.

At Hafeez Automation Technologies, we believe that the control system of any production facility is the key for a successful and profitable production, our Industrial Automation Solutions and Electrical Systems are designed and implemented in accordance with this belief and maintained by our commitment to support our customers throughout the project life cycle.

## Managing Director

Hafeez Automation Technologies is the sole Importer & Stockist of number of leading brands in industrial automation and control. Our leading pace has always been accredited to our culture, with a deep understanding that our clients come first; identifying their needs and wants is the driving force that pulls us towards our eagerness to deliver. Our commitment and services to our customers are to be the best, most flexible, with the capability to adapt to changing market demands. We believe in focus and specialization and each of our employee share our passion and pride to be part of this mission. Each passing year presents numerous unprecedented opportunities, which we capitalized on through our team's collective effort and dedication. Each of our projects is the best in the market. The strengths embedded in Hafeez Automation Technologies – the knowledge and cohesiveness of our people, longstanding relationships, technological capabilities and an established market presence enables us to continuously evolve. To this end, we will continue to be a corporate group capable of accurately identifying customer and market needs and providing world-class, forward-looking solutions. Your continued support is greatly appreciated.

# Main Stream Areas

## Siemens

- 01 • Electric Motors
- 02 • SIMATIC HMI
- 03 • SITOP Power Supply
- 04 • PLC, Drives
- 05 • Circuit Breakers, Relays, Sensors
- 06 • Geared Motors
- 07 • Instrumentation

## Omron

- 01 • Servo Motors, Drives
- 02 • Power Supplies
- 03 • Relays, Safety Components
- 04 • Limit Switches, Push Buttons
- 05 • Inverters, Programmable Controllers
- 06 • Proximity Sensors, Rotary Encoders

# Main Stream Areas

## ABB

- 01 • Programmable Logic Controllers PLC
- 02 • Circuit Breakers, Contactors
- 03 • Soft Starter, Switches
- 04 • Electric Motors
- 05 • Drives
- 06 • Motor Protection & Control

## Mitsubishi

- 01 • Human Machine Interfaces
- 02 • Low Voltage Circuit Breakers
- 03 • Contactors & Motor Starters
- 04 • Protection Relays
- 05 • Inverters
- 06 • Geared Motors, AC Servos
- 07 • Motion Controllers

**MITSUBISHI ELECTRIC** | FACTORY AUTOMATION

Industry Leading  
Automation Solutions

# Main Stream Areas

## Allen-Bradley

- 01 • AC Motors
- 02 • Absolute Rotary Encoders
- 03 • Power Connectors
- 04 • Motor Drives, HMI
- 05 • Circuit Breakers, Proximity Sensors
- 06 • Data Modules, Motor Controllers
- 07 • Power Supplies
- 08 • Relays & Switches

## Danfoss

- 01 • Sensors & Transmitters
- 02 • Burner Components
- 03 • Electronic Controls
- 04 • Valves & Actuators
- 05 • Compressors
- 06 • Electric Converters & Machines

# Main Stream Areas

## Brahma

- 01 • Electronic Ignition Transformers
- 02 • Gas Solenoid Valves
- 03 • Safety & Temperature Control
- 04 • Solenoid Valves
- 05 • UV Light Sensors
- 06 • Burner Controls

## Dungs

- 01 • Pressure Regulators & Switches
- 02 • Burner Management Systems
- 03 • Automatic Burner Controls
- 04 • Shut Off Valves
- 05 • Filters

# Main Stream Areas

## Honeywell

- 01 • Flame Detectors
- 02 • Current & Humidity Sensors
- 03 • Flow Switches & Sensors
- 04 • Motion Detectors
- 05 • Pressure Switches & Sensors
- 06 • Air Quality Sensors

## SKF

- 01 • Bearings
- 02 • Industrial Seals
- 03 • Power Transmission Solutions
- 04 • Bearing Housings
- 05 • Suspension & Engine Seals

# Main Stream Areas

## Delta

- 01 • Inverters AC Motor Drives
- 02 • AC Servo Motor & Drives
- 03 • Programmable Logic Controllers, PLC
- 04 • Human Machines Interfaces
- 05 • Temperature Controllers
- 06 • Pressure Sensors
- 07 • Industrial Power Suppliers
- 08 • PC-Based Motion Control System

## PILZ

- 01 • Safety Switches
- 02 • Safety Gate Systems
- 03 • Safety & Monitoring Relays
- 04 • Brake Control Devices
- 05 • Configurable Compact Controllers
- 06 • PLC Controllers
- 07 • Servo Motors
- 08 • Motion Control Systems

# Major Business Partners

We have the privilege of working with well known companies all over Pakistan. We view our clients as partners and work collaboratively with them to achieve results they can measure.

Our commitment to client's success is unwavering. This commitment is reflected in how we develop our solutions, processes and methodologies and how we run our business.

HAFEEZ AUTOMATION TECHNOLOGIES has a long track record of creating value for our customers by applying expertise across a wide range of businesses around Pakistan. We work diligently and intelligently to ensure that the need of our clients comes first.
